THE POWER OF ONE

REGISTER BEFORE APRIL 1, 2010 AND SAVE \$\$\$

From the TDHA President

I would like to take this opportunity to personally invite you to attend the Tennessee Dental Hygienists' Association Annual Session to be held on April 23, 24 and 25, 2010 at the Embassy Suites in Cool Springs, Franklin, TN. The theme for this meeting is the *Power of One*.

I invite you to consider your *Power of ONE* as you address your patients on an individual basis. As a health care provider, there are many aspects of treatment to be considered for each patient. Check out the course offerings and you will be amazed at the opportunities for growth that you will find. Speakers and events have been planned that will address your *Power of One* with functional methods to improve patient care and keep you on the leading edge of professionalism.

TDHA has been able to provide quality CE and speakers without raising fees to the attendees for the past 3 years. The economy has caught up with us. You will see an increase in registration but you will see no decrease in the caliber of speakers or comfortable hotel accommodations. Sponsors have been most generous with their support of our association, including bringing back 2 of your favorite speakers from last year! Sign up for the weekend package and the CE is \$14.09 an hour and includes a nice buffet lunch, a sit down lunch on Saturday, heavy h'dourves on Saturday evening as well as snacks and beverages throughout the day.

Annual Session is our time to come together as dental hygienists to share our experiences and triumphs as well as our frustrations and hopes for the future. As the professional that you are, your involvement with TDHA adds ONE more number to those looking to find solutions to the challenges of patient care. In a profession where we largely practice in isolation from our peers, this is your opportunity to catch up with old friends and make new ones. Come together to hear new trends within the profession and see what the profession has accomplished this past year.

If you are Not a member of ADHA - Become a member today and take advantage of ADHA member benefits including reduced registration rates for this Annual Session. Go to <http://www.adha.org/> for more information.

Be one at the 2010 Tennessee Dental Tennessee Dental Hygienists' Association Annual Session. One voice, One Vision, One association -- The power of one!

See you there!
